

Creating your own video (my simple show)

First step:

- Give your project a nice name referring to your topic
- Use English
- Watch the tutorial

To structure your topic appropriately it would be best to use "Introducing a country".

This is also important:

- ➔ Draw a mind map to structure your ideas. You don't have to take the structure given. You can add slides.
- ➔ Talk about interesting facts; fun facts can be included.
- ➔ Don't use too difficult words. Use a variety of vocab, lively adjectives,...
- ➔ Write a logical summary.
- ➔ The pictures suggested are not always the best ones, so be careful here.
- ➔ Choose a nice voice and the accent you like most

Some phrases to help you:

Start like this:

- ➔ This video wants to tell you about the most spectacular / exciting / amazing / awesome city in the USA / worldwide / in the state of ...
- Listen carefully, today you will get a lot of information about
- Here is the most important information about

Go on like this:

- ➔ Talking about ... means talking about ...
- ➔ Some basic information first ...

End your talk like this:

- ➔ All in all
- ➔ So now you are able to understand why ... is the greatest / the most exciting / city ...

DON'T FORGET TO SAVE YOUR VIDEO!

HAVE FUN!!
